Today's Game

Ichabods in for Homecoming Tilt

Invading Lewis Field Stadium this afternoon to represent the opposition for the Fort Hays State College Tigers are the Washburn University Ichabods from Topeka.

The Ichabods, coached by Bill Schaaake, former Goodland High School head mentor, come in looking for their second win in five outings and will, as will the Tigers, be shooting for the final football crown to be offered in the Central Intercollegiate Conference.

Schaaake's Blues have a season-opening win over Kearney (Neb.) State College (who took the measure of the Tigers 29-10) but have lost to Central Missouri State College, Southern Colorado State College and St. Mary of the Plains College.

FHS counters with its 2-2 season mark which includes wins over Northwestern Oklahoma State College and Northwest Missouri State College and losses to Kearney State and Colorado State College.

The Ichabods are highly improved from a year ago and will probably see to it that FHS does not chalk up another 35-0 win such as it did in the last meeting of the two institutions. Had the Ichabods received a break or two in two of their games they may well have come in today's encounter 3-1.

FHS and WU have been clashing on the gridiron for more than 40 years. Both are charter members of the CIC which began in 1928 and folds this year. In the 33 games played to date WU holds a 20-10-3 edge in the win column but has not beaten the Wayne McConnel coached Tigers since 1964.

Unlike FHS, Washburn University chose not to join the new Rocky Mountain Athletic Conference which begins league competition in winter sports this season.

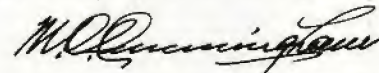

FHS ends a three-game home stand this afternoon and the Homecoming festivities should give the Tigers impetus for a victory. However, if today's game goes as it should, the winner won't be declared until after the smoke has cleared.

FHS President Welcomes You

I extend a personal message to each and every one of you, and I hope you enjoy the game and all of the Homecoming events. We are happy to have so many alumni on the campus today, and we are glad that you came to the game this afternoon. Your attendance and participation in the Homecoming activities is an indication of your loyalty to your Alma Mater. We hope that Fort Hays State will always merit the friendship, good will, confidence, and support of its alumni and friends.

Our Tiger squad has been working hard this season, and I am sure we will be giving its best this afternoon. They are a fine group of young men—Fort Hays State is proud of them and their coaches.

Come back to the campus often. We are always glad to have you.

M. C. Cunningham, President

Next Week . . .

Emporia State College will furnish the opposition for the Tigers in the next game Saturday at Emporia.

In the Hornets FHS will meet the best passing team they have this season. The Emporians have two fine quarterbacks and several top receivers and don't count out their running game.

Gross Award Winner Named Today

The highest honor a Fort Hays State College athlete can win during his tenure here is the Paul (Busch) Gross award. FHS's outstanding athlete for the 1967-68 school year will win that award this afternoon.

The nominee is selected by a committee on the basis of character, leadership, scholarship, and athletic achievement.

It is in honor of the late Busch Gross, who devoted a lifetime of service to Fort Hays State College that the award is given. Busch was first an athlete at FHS, then basketball coach from 1930 to 1946, then athletic director from 1930 until his death in 1964.

Last year's award winner was Robert (Bob) Johnson, four-year football and track letterman from Logan. Bob is now head track coach and assistant football coach at Concordia High School.

Don Lakin, former NAIA All-American track and cross country performer, won the 1966 honor. A native of Pawnee Rock, Don is now in the Armed services.

Abilene's Clark Engle was named the 1965 award winner. He was a four-year football and track letterman and is now General Director of the YMCA at Garden City.

Sam McDowell, the highest scoring basketball player ever at FHS, won the 1964 honor. He is now practicing veterinary medicine in his home town of Smith Center.

Another basketball great, Herb Stange, won the Busch Gross award in 1963. Stange, who hailed from Sterling, is now a Mutual Funds salesman in Beloit.

Duplicate crowns in 1962 went to Dean Larson of Ada and Kent Bauer of Pawnee Rock. Larson carved his fame in basketball and Bauer proved to be the best pole vaulter in the history of track at FHS. Larson is now with the State Department of Insurance in Topeka and Bauer is a Design Engineer with Cessna Aircraft and lives in Goddard.

Lyle Wingate, teacher and basketball coach at Shawnee Mission, was the 1961 recipient for his participation in track and basketball at FHS.

The 1960 award went to Darrell Hildebrand, now head track coach at North Platte, Neb., Junior College. Hildebrand was a track and football star at FHS.

Gary Casey, basketball and track star at FHS, now a sales representative in Hays, was named to the honor in 1959. He came to FHS from Hutchinson.

The 1958 award winner was Dan Johnson, former football and track performer. He is now a member of the industrial arts staff at FHS and is a Hays native.

The first recipient of the annual Busch Gross award was Ron Miller, now a range conservationist at Mission, S.D. His specialty was football and he hailed from Elmo.

Coach McConnell's Information Sheet

Head football coach Wayne J. McConnell is starting his 13th year at Fort Hays State this fall.

At FHS, his teams have logged a record of 47 wins, 58 losses and four ties. Last year's Tigers were 3-5 on the campaign. His 1957, 1958 and 1961 teams finished right on the .500 mark, the record in 1962 was 6-2-1, in 1964 was 5-4, in 1965-6-3 and in 1966, a highly successful 7-2.

Prior to coming to FHS, he coached six years at College of Emporia where his 1951, 1953, 1954 and 1955 teams were undefeated in regular season action. In 1953, McConnell was named Little All-American Coach of the Year by the Rockne Foundation.

He also coached high school at Effingham (three years), Gaylord (one year), Downs (two years) and Manhattan (one year) after his service stint. His 24-year record stands at 113 victories, 74 losses and seven ties.

Mac earned a bachelor's degree at Washburn University in 1934 and was a social welfare worker in Topeka until he joined the Army in 1941.

Wayne earned his Master's at Emporia State in 1954 and is an associate professor of physical education on the FHS faculty.

How you can "join" America's Olympic Team

You can be there at the Mexico
City Olympic Games as a wel-
come contributor to the Olym-
pic Fund. And be proud of it!

Training, transportation, housing
and equipping America's top com-
petitors in the Olympic Games is a
major financial task. Because the
United States Team is maintained al-
most entirely by public subscription,
without government subsidy of any
sort, the interest and support of
every American is needed to reach
the \$3,500,000 goal.

If you haven't already done so,
"join" in the Olympic movement now.
Fill out the attached coupon, with
your check for \$5.00 or more and
mail — today. In acknowledgment, the
United States Olympic Committee will
send you the handsome men's tie bar
(by Danté) illustrated below. Or, if
you prefer, you may select a women's
bar pin with safety catch of the same
design. For a \$10.00 contribution, you
will receive two gifts of your choice.

Sportsmanship is Key Word

Fort Hays State has long been known for its friendliness and unwritten code of sportsmanship. And this tradition has been holding. We have been informed through correspondence and other communication that problems of fairness and sportsmanship are prevalent at other institutions comparable to ours.

Maybe we have been lucky or maybe we just have better students and finer followers of athletics than some institutions of higher learning. At any rate our problems are slight and we hope to keep them that way. But that decision is up to you, the reader. We are depending on you to keep that tradition of clean, wholesome sportsmanship first and foremost at FHS. Let's all see what we can do to improve or better our relationships with other institutions while at the same time maintaining a program of sincere and friendly competition.

The Tiger Stat Book

A look at the statistics this week shows the Tigers ranking second in the conference with their 2-2 mark ahead of Omaha University (0-3), Pittsburg State (1-3), and Washburn University (1-3), and behind Emporia State (2-2-1).

FHS is second in rushing offense with a game average of 171 yards; third in passing defense, allowing 118 yards per game; fourth in rushing defense, allowing 160 yards per outing; fourth in passing offense with a game average of 73.3 yards; fourth in total offense with an average of 244.3 yards a game; and fourth in total defense, allowing the opposition 278 yards per game.

In individual statistics Rich Dreiling leads the league in rushing with 344 yards in 77 carries and Jerry Harrison is fifth with 208 yards in 60 hauls. Dreiling's yardage also ranks him fifth in the total offense category.

John Covington continues to lead all punters with a 36.6 average per boot. He is also the fourth-leading passer with 265 yards on 16 of 47 for four touchdowns. John has been intercepted only once.

Dennis Spratt, by virtue of his three touchdown pass receptions, ranks fourth in the league in scoring. Ralph Arias, talented Tiger kicker, is fifth with 16 points. Spratt is also fifth in the conference in pass receiving with 150 yards on 11 catches.

Washburn's quarterback Dean Ferrell is third in the league in passing with 352 yards and three touchdowns. He is also fourth in total offense with 394 yards. WU's Irvin McCoy is fourth in the CIC in pass receiving with 20 catches for 164 yards.

An interesting note is that Washburn University leads the league in pass defense, however the Ichabods are fifth in rushing defense.

Other games this afternoon and evening show Southern Colorado State at Emporia State and Omaha University at Pittsburg State.

Break your beard in right.

Right now your beard is in the formative stage.

You can shave it with a razor blade like your father does. And each time you do your beard will grow back a little more difficult. Until one day shaving's no longer a chore. It's an agony.

Look no further than your father's face for proof.

But fortunately, you're catching your beard at an early age. You can break it in to be just as shaveable 10 and 20 years from now as it is today.

With a REMINGTON® shaver.

And if you think the kind of shave we're selling won't be close enough for you, you're wrong.

Our new blades are sharper than anything that's been in an electric shaver before. And there's a dial that lets you adjust them for your skin and beard.

What's more, you can dial a REMINGTON electric shaver into a sideburn trimmer.

Admittedly, it costs more to buy our electric shaver than a razor and some blades.

But it's a good investment.

These next few years will determine how you and your beard will get along for the rest of your lives. †SPERRY RAND™

Pressbox Anecdotes...

Rich Dreiling, probably the finest fullback ever to wear the Black and Gold of FHS, now holds three school records. He has the season rushing mark of 898 yards (1966), season rushing attempts of 191 (1966), and the career rushing yardage mark, already over the 2,500 mark with five games remaining.

Basketball season at FHS is just around the corner and head mentor Chuck Brehm grins slyly when asked about the Tigers chances. He will probably have the best nucleus for a good squad in his four years at FHS. Better get those reserved seats when they go on sale.

Coach Dave Winter and his wrestling squad face what is probably the toughest schedule faced by a FHS squad in recent years. Tops among the opponents are Colorado State University, Adams State College, Omaha University, and Kansas State University.

Washburn University's head football coach Bill Schaaque was an All-Big Seven end selection while playing for KU. He coached Goodland High School teams to a 37-6-2 record during his tenure there. He is in his second year at the Ichabod helm.

Meet A Tough Tiger

KENNY CAYWOOD comes to FHS from St. Francis and is probably one of the more talented Tigers on the squad. He is running at slotback and is the second-leading pass receiver. He can play end or halfback, return punts and kickoffs and play defense if the need arises. Kenny is a junior. He is a fine team leader and a dedicated athlete.

Topeka is Home Of The Ichabods

The 160-acre Washburn University of Topeka campus is humming with an \$8 million reconstruction program.

Located at 17th and College in the capital city of Kansas, Washburn was hard hit by the June 8, 1966 tornado which completely destroyed nine campus buildings and damaged 14 others.

Four structures are either being built or in the final planning stages, and these will nearly replace the classroom space lost in the storm.

Workmen are finishing a \$3.3 million Fine Arts Center which is scheduled for dedication during Homecoming weekend Oct. 19-20. Steel framework allows a skeletal picture of the School of Law which is slated for completion in 1969.

Work is forecast to begin on both the Garvey Communications Center and the Learning Resources Center during this fall semester.

In addition to Moore Bowl, other athletic facilities include Whiting Fieldhouse, seven sand-green golf holes, tennis courts, a practice football field and baseball diamond. Married student housing, two fraternity houses and two sorority houses are also on campus. Three fraternity houses are located near the campus as are two sorority homes.

Topeka has grown rapidly during the past few years and today has a population in excess of 135,000. Four railroads, Santa Fe, Union Pacific, Rock Island and Missouri Pacific serve the city. Frontier Airlines and numerous bus lines stop here. Major highways — the Kansas Turnpike and Interstates 70 and 470 — make Topeka easily accessible by car. Many major motel chains and fine eating places serve the overnight traveler.

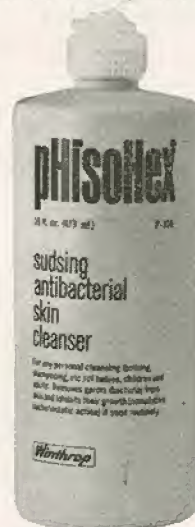

Washburn University's president is Dr. John W. Henderson. The Athletic Director is Michael Sarkesian and Dr. Ernest Bader is the Ichabod faculty representative.

Other members of the Blues coaching staff, aside from head mentor Bill Schaaake, are offensive coach Larry Elliott and defensive coach Duke Benz. Schaaake is in his second year at the helm, Elliott, also the head baseball coach at WU, is in his third year, and Benz, formerly with Schaaake at Minot State College, N. D., is beginning his second year.

We're proud...

that pHisoHex® has been selected as the antibacterial wash to be used by the U.S. Team for the 1968 Olympic Games!

A winning athlete takes special care of his skin. Above all, he protects it against bacteria that can cause infections and lead to missed practice sessions and games.

If you've ever tried to play with an infected blister on your heel or an abscess on your finger, then you know the role of healthy skin in sports. And that's why pHisoHex is an important part of an athlete's daily health routine. pHisoHex is America's leading liquid antibacterial skin cleanser in homes and in hospitals. Used regularly in place of soap, pHisoHex produces a superclean skin and builds up an invisible antibacterial film of hexa-

chlorophene to protect your skin against germs between washings.

And if you have problem skin, pHisoHex is often valuable. The antibacterial film it leaves on your face will ward off blemish-infecting bacteria. pHisoHex also helps to soften and wash away blackheads.

Use pHisoHex, the skin cleanser of winning athletes.

Made by Winthrop Laboratories, 90 Park Avenue, New York, N.Y. 10016. Available in drugstores in 5 oz. and 16 oz. plastic squeeze bottles.
